UPWA
BATTERIES

QUALITY AND COST-EFFECTIVE

QUALITY AND COST-EFFECTIVE

Upowa is one of Africa’s leading battery brands and has taken the South African market by storm. Our range of batteries, solar products, accessories and energy products are excellent quality and cost-effective. We have a network of distributors that we work with across South Africa.

Upowa batteries are one of the most popular brands in Africa for solar installers, backup power suppliers, the security industry and many more.

We sell through distributors across the country. Visit the website and register to become a distributor or contact us for your nearest retailer. How can we get you what you need?

BATTERY SELECTION

SCAN THE QR OR CLICK THE IMAGE FOR SPEC SHEETS AND TO GET A QUOTE

We have designed this catalogue to make it easy for you to choose a battery or get a spec sheet. **Simply click on the image** (from page 4) in this catalogue to go to the online portal or **scan the QR code** to go to the online portal. Once on the site add all the items you need to your basket and we will send you a quote.
